REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: None of the prior art of record shows or renders obvious the locking configuration as recited in claims 1 and 11, specifically that said actuating lever has an angled region formed with a predetermined buckling point between said pivot point and said handle component and being configured as a deformation element for absorbing energy wherein said actuating lever is plastically deformable in a crash such that said handle component moves toward said tilt-adjustable casing tube.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
